

Op 't Gemisch der Boomen

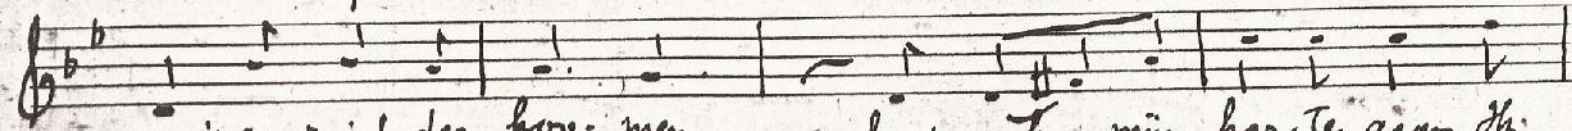

Andante, passionato.

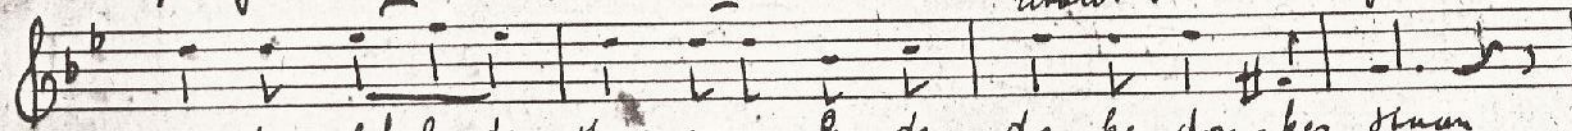

Op 't ge-zuisch der boo-men volg ik den wind die vaart naar

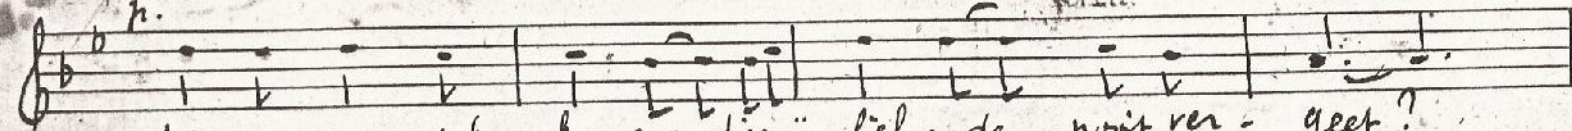

't hand van mij-ne droo-men waerde to-reus staange-paard.

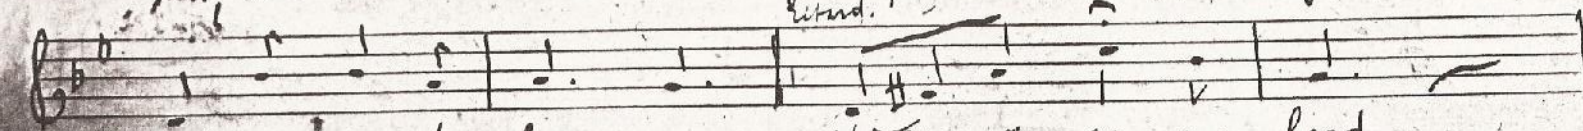

Op 't ge-zuisch der boo-men laat ik mijn har-te gaan ik

die de schel-de stov-men in de du-ker don-ker stuur

Ach wan-neer zal ko men die mijn lief-de nooit ver-geet?

Op 't ge-zuisch der boo-men schreit mijn ar-me leed.
